

PASTOR'S PARAGRAPHS

The Ash Wednesday service not only begins the forty days of Lent, it also lays the foundation for those who would follow Jesus to the cross. During the course of everyday living we seldom stop to consider the very cessation of that living, close calls at the hospital notwithstanding. The Ash Wednesday service brings front and center our humanity and it's inevitable end...we are dust and to dust we shall return. That stark reminder intoned with the imposition of ashes (which, by the way, are made from the burning of the palms from last Palm Sunday) leaves no doubt that we are terminal human beings. The wages of sin is death. One who works for sin and its desires gets compensated with death, because running and hiding from the Life Giver can end in no different reality but losing life. We lost the connection. Who shall deliver us from this death spiral? Medicine? Good diet and exercise? Stress relieving meditation? Wishes that it were not so? Occupation with the moment? No! The only salvation from this eventuality is found only in Jesus! He became one of us so that we can learn of the Way and the Truth and the Life. Death is not the final word for those who put their trust in the life, cross and resurrection of Jesus. His actions reconnect us to the Life Giver and we are promised resurrection and life everlasting in the Father's house, ushered in by our Brother. Is there any wonder the importance and relief of these forty days of preparation for the greatest event in the history of God's creation?! There is none more important. Just a quick service note for our mid-week services, we will be using a modified version of Holden Evening Prayer to guide us through to the Feast of the Resurrection.

Family Promise, a national endeavor to address the needs of the homeless, is ready to reinstate the Bay Area chapter with twelve churches involved. Hope Lutheran stands ready to heed the admonition of Jesus proclaimed...caring for those who cannot at the moment care for themselves. Once a quarter we will be hosting up to fourteen family members with sleeping arrangements, meals, and fellowship. Lorraine Erickson chairs the effort but she will indeed need the assistance of volunteers for setup/tear down, meals, assistance with homework, and simple fellowship with those who are less fortunate than we. Hope has a great facility that will adequately care for these families. Be ready to step up and serve. The program kicks off toward the end of March.

Speaking of service, Hope Lutheran sponsors mentors on a weekly basis that step into a local elementary school to enrich and help direct the life of a young person who most likely does not have the most positive role model at home. KID'S Hope USA is chaired by Sandy McHone and she would be pleased to train and involve you in a life-change interaction with a deserving young person. "Let the little children come to me."

Remember the Voters' Assembly scheduled to begin at 9:30 a.m. on Sunday, 19 March in the Great Room. We will be electing a new Treasurer and Board Members and passing a new Spending Plan. I believe the question of a columbarium will also be put to the Voters.

NOTES FROM PASTOR JON

Lent is upon us. What are you going to give up for Lent? How about this: what are you going to take on for Lent? Perhaps a renewed commitment to daily devotion and/or prayer. Perhaps a commitment to serve others in your own particular way. Perhaps a commitment to be more regular in worship and/or Bible study. The season of Lent is a great opportunity to renew or even begin the habits, practices, and disciplines of a follower of Jesus as we listen to Him and follow Him all the way to Jerusalem, to the cross, and to the empty tomb.

COMMUNITY GARDEN

Lots of planting going on! Potatoes, beans, squash, lettuce, cucumber, tomatoes will go in soon. Later this month, the PK4's of Tiny Treasures will help do some planting as well. Gardening works like the proclamation of the Gospel. We spread the seed, but God gives the growth!

STEPHEN MINISTERS

Last month on February 21st, the Stephen Ministers of Hope had the opportunity to help those in need. We feed the homeless who are clients of Mercy Tree in the Clearlake area. We ate with them, listened to them, and shared stories with them. What a great opportunity to share God's love with those so in need of His love!

OUTREACH

Have you noticed the number of new faces around here? It is exciting to see new people come to hear about Jesus in this place and become a part of our community. It's also exciting to think about all of those people who aren't here yet. Welcome all of those new faces and get to know them not by face, but by name.

CONFIRMATION

Our annual Confirmation Retreat takes place March 31—April 2. All of our students and their teachers will spend the weekend at Camp Lone Star outside of LaGrange, TX for a weekend of study, worship, challenge, and fun. This year's theme is "Alive" — built on John 11:25-26: *"I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live, and everyone who lives and believes in me shall never die."*

Registration forms should be hitting your mailboxes soon. Please pray for our Confirmation students as they prepare to publicly confess the Faith and take responsibility for their continue growth in the Faith.

What is Lent?

How do we explain the idea and meaning of Lent to the children around us? There are soup suppers at the church on Wednesday nights, the color on the altar is purple, and sometimes people give up special food or things for Lent, but why?

Lent is the time to help us prepare for the joy of Easter that comes because Christ rose from the dead. We take time to think about why Jesus had to die on the cross for us, and we remember that Jesus loves us SO MUCH that He was willing to do just that — die on the cross to save us from our sins.

Soup suppers on Wednesday nights are a wonderful fellowship opportunity before our special Lenten services. The paraments are purple as a sign that we are sorry for our sin and also for royalty — that we should bow penitently before the King. Giving up food or special things during Lent is a personal choice. If giving something up helps someone feel closer to the Lord, or helps him or her better understand Christ's suffering, then that is a private choice for that person.

During Lent, take time to talk with your children about Christ's suffering and why it had to be, remembering to emphasize that because of that suffering, we are forgiven, and that on Easter, Jesus rose and is alive. Perhaps seek out a Lenten devotional to share as a family, or come to the soup suppers and Wednesday night services. Help your children understand and appreciate this season of the church, and your Easter celebration may be more joyful than ever this year.

*"Trust in the LORD
with all your heart.
Lean not on your own
understanding; in all
your ways
acknowledge him, and
he will make your
paths straight."
Proverbs 3:5-6*

Ladies Guild

Ladies Guild Pledge

These words can be heard every second Tuesday of each month during the year at the opening of Hope Ladies Guild meetings. It will be heard again on March 14th, 6:30 p.m. in the Great Room when our Guild meets.

If you slowly and carefully read again the words of this Lutheran Women's Missionary League Pledge, you will see the underlying deep commitment also to the League's motto — "Serve the Lord with Gladness." By fulfilling both Pledge and Motto, we strive to be the lights to the word that Jesus asks us to be.

All women of Hope are invited and welcome to join and/or visit Guild meetings. All ages are working to see that serving the Lord strives and continues. There is a place for you.

Men's Ministry

Men's Ministry will begin a study of "52 Things Wives Need From Their husbands" on March 12, 2017. We will meet in the Great Room after the 11:00 a.m. service and lunch will be provided. All the men of Hope are invited to be a part of this study. Everyone is welcome to bring a friend as well. Men that would like to attend should RSVP to Scott Butler by phone 281-381-3188 or email at sbutler99@outlook.com.

Voters' Assembly

There will be a Voters' Assembly on Sunday, March 19, 2017 between services. This meeting will be for the approval of the 2016-2017 Spending Plan, election of Treasurer of the Congregation and Board of Directors members, and the State of the Parish.

Please plan to attend this important meeting.

Stephen Ministry — on the March. . .

There was a man who received an order to appear and give testimony of God to a certain city. He decided to skip the city and disappear, finally securing passage on a small ship so as to further escape discovery.

A storm came and the crew and captain were trying to keep afloat — even to the point releasing some of their heavier cargo. They asked the passengers to help, or at least pray. The crew superstitiously wondered who or what put them in such danger, and in mob hysteria they looked at the passenger.

He said, “It’s all my fault — throw me overboard and the sea will be calm.” Although the crew worked all the harder, their fear level finally carried them to do just that — they threw the man overboard.

This is a true story, and the man, of course, was Jonah.

And now the rest of the story. . .

God “prepared” a great fish (maybe there were three wise men, or maybe Eve ate an apple, and maybe this was a whale. . . we don’t know). Maybe this fish even thought, “Do I have to swallow this whole?!?” Again, we don’t know, but we do know that finally Jonah acknowledge his running away, and prayed again. This time he asked to be able to undertake his obligation to God and give glory to Him.

God commanded the fish to expel Jonah on dry land. Think of this. . . a great fish coming to dry land to expel Jonah.

Jonah finally answered God’s command and gave testimony which would lead to a guilty verdict against those who would not face the consequences of their actions. But when God granted mercy, Jonah said, “See what I said in the beginning — You said in the beginning You would punish the city. Now You’ve done just the opposite, shown compassion at their repentance.”

Jonah walked off and isolated himself, sulking in an open field despite a severe wind followed by a blistering sun. God, in His mercy, “prepared” a plant with leaves large enough to give a day’s shade. There Jonah sat.

The next day, God allowed the plant to be damaged and it withered under the day’s heat and strong wind. Now Jonah said “it would be better if I were dead.” God asked him if it was appropriate for him to be angry about the plant, and Jonah said “Yes.”

God reminded Jonah that not he but God had caused the plant to grow just as He had the right to take pity on the city of Nineva, just as He does for all who repent.

How does this story apply to our lives and what can be passed on to those cared for in Stephen Ministry?

1. We cannot and should not go to extreme lengths to avoid God’s call and promise of help.
2. We should not pre-determine the way in which God unfolds His will.
3. We should not resent God’s mercy to those we may feel underserving.
4. We should recognize the lengths God will go to have us come to do His will.
5. Setting up expectations only sets us up for disappointment.

God’s help through Stephen Ministry — Yours for the asking.
