

Friendswood Upward Basketball 2020-2021

We are glad you are interested in joining us for basketball this season.

Before you complete your child's registration, please read the information below. *By registering your child for Upward Basketball this season, you acknowledge that you have read and understood the information listed below.*

We are going into this season with the hope that things will look as normal as possible, but with the understanding that things will need to be different in some areas.

Please help make this season a positive experience for all by having a mindset of grace and flexibility.

*We currently plan to begin practice the week of December 7th. We will hold two practices per team then break for Christmas. We currently plan to resume practice the week of January 4th, 2021. The first set of games would be the weekend of January 9th. The last weekend of games would be February 27th.

*We will not offer Upward Cheer this season in an effort to reduce the number of people in the gym on game days.

*We will have a limited number of players in each age group. Register early.

*If we do not have enough players register or coaches volunteer in any particular age group, we will not have play in that age group this season.

*We will have a limited number of spectators for both practices and games – likely 2 spectators per player.

*Spectators will be required to wear masks while indoors on either church campus.

*Players will be asked to bring their own water bottles for both practice and games. Concessions will not be offered this season.

*We will only have 2 teams practicing/playing per hour.

*We will have a time gap between practices and between games.

*We will not have sizing uniforms available at evaluations this season. Please refer to the Upward sizing chart to choose your child's uniform size when you register. Uniforms include a t-shirt, a jersey (that will need to be tucked in during games), and a pair of shorts.

*After you have registered, please watch your email for information about evaluations. *You will be asked to sign up for a time to attend to evaluations.* Evaluations are an important part of our Upward Basketball program. Please make every effort to sign up and attend.

*Please be aware that you assume any potential risk when you are on either church campus. Neither church is liable for exposure or illness.

*Neither you nor your child will attend practice or a game if either of you are exhibiting any signs of illness.

*If anyone in your family receives a positive Covid test within 72 hours of being on either church campus, you will contact Tami Griffith or Krista Beken as soon as possible. Your child's coach will then be notified, and he/she will notify the team. We will do our best to keep anonymity in place. If the positive test result came within 72 hours after a game, the opposing team coach will also be notified, and he/she will be responsible for notifying that team.

*A positive Covid test will result in the impacted team/teams not having practice or games for a 14 day period after exposure.

*If the season needs to be canceled, we will have some refund available up to a certain point in the season. The amount of the refund will depend on how far along we are in the season.

*If you have further questions or concerns, please contact Tami Griffith or Krista Beken.
